

## **8100 PROCEDURE 605**

### **CAL FIRE Resource Activation - State of Emergency**

(March 2010)

[\(See Policy 7748 – Emergency Declaration and Conditions of Emergency\)](#)

When the Governor declares a “State of Emergency” (Government Code Section 8558), the “California Emergency Services Act”, which contains the following sections listed below, shall be adhered to:

- California Disaster Assistance Act
- Emergency Compacts
  - Interstate Civil Defense and Disaster Compact (1951)
  - Emergency Management Assistance Compact (2005)
- California Disaster and Civil Defense Master Mutual Aid Agreement

### **Responsibilities and Action**

#### **Any CC**

1. Utilize the CAL FIRE Duty Chief and Duty Officer’s chain-of-command to engage and coordinate with Cal EMA at the levels indicated below. If deemed necessary, CAL FIRE will dispatch an agency representative(s).
  - State Operations Center (SOC)
    - Cal EMA Headquarters – Mather
  - Regional Emergency Operations Center (REOC)
    - Inland - Sacramento
    - Coastal - Oakland
    - Southern – Los Alamitos
  - Operational Area or Local Emergency Operation Center (EOC)
2. For Resource Ordering, utilize [HB 8100p601 - Requests for CAL FIRE Resources to a Non-Fire or Non-Law Enforcement Incident from the California Emergency Management Agency](#) for non-fire emergencies.
3. For Resource Ordering, utilize 8100 Handbook Resource Ordering Procedures for wildland fire emergencies.

4. For operational security level considerations or modifications, utilize [HB 8100p900](#)  
[-CAL FIRE Operation Security Levels](#).
